

affordable access®

**Afaxys = affordable + access.**

**Our name goes to the heart  
of who we are.**

**Afaxys is a unique healthcare company,  
driven by our mission to ensure reliable and  
affordable sexual and reproductive healthcare  
is available to everyone.**

In today's ever-changing healthcare environment, as a provider operating in a community health center, you may struggle to fully serve your patients because you can't reliably access the cost-effective products your patients require. We are a socially conscious organization that partners with healthcare providers like you to ensure stable pricing and reliable access to the products and services needed most so you can focus on delivering high-quality patient care.

### **Benefits of working with Afaxys**

- ✓ Reliable access to stable pricing and stable supply of FDA-approved contraceptives
- ✓ Free membership to a Group Purchasing Organization (GPO) that negotiates discounted pricing on everything needed to run a health center
- ✓ emapp®, a cloud-based purchasing system designed to streamline operations
- ✓ A dedicated community and public health partner that is passionate about doing what is right for patients
- ✓ Unparalleled white glove concierge customer service – we're always here to help

# Our Subsidiaries and Products

Helping deliver more affordable care

## Afaxys Pharma

Afaxys Pharma is a leading provider of oral and emergency contraceptives in U.S. clinics.\* We offer a broad range of FDA-approved contraceptive products at more than 10,000 health centers nationwide. Our products are available through most national and regional distributors.

## Afaxys Group Purchasing Organization (GPO)

Afaxys GPO secures access to discounted pricing on mission-critical products and services for community and public health centers – **it's free to join, and there are no minimum requirements.** We negotiate and maintain sourcing contracts with nationally recognized manufacturers and service providers to cover our members' complete business needs.

## emapp®

Designed just for the healthcare community, our marketplace and purchasing portal (emapp®) simplifies and streamlines the procurement process. emapp® links health centers to the suppliers they rely on most, improving supply chain efficiency and spend visibility.

## Who we serve

- City, county, and state health departments and facilities
- Community health centers
- HMOs
- College and university student health centers
- Medical private practice centers that serve Medicaid patients
- Family planning centers
- Federally qualified health centers
- Free and charitable clinics
