

Who Is Afaxys?

Our Name Goes to the Heart of Who We Are...

affordable + access = Afaxys.

Being **mission driven** and **customer focused** conveys the promise of our brand. We are passionate about our mission to partner with community and public health providers to ensure reliable and affordable contraceptive care is available to everyone. **We believe access to sexual and reproductive healthcare should be a right, not a privilege!**

Our History of Success: Inspired by Our Passion for Public Health

Afaxys is a one-of-a-kind healthcare company. We partner with community, public, and private industries to ensure healthcare providers have stable pricing and reliable access to the products and services they need to care for patients seeking reproductive and sexual healthcare. We are a socially-conscious organization willing to make sacrifices for the benefit of our stakeholders. We produce results by developing, finding, or inventing solutions through our family of companies.

Our Family of Companies

The Afaxys enterprise is comprised of a family of companies that operate under two subsidiaries: **Afaxys Pharma, LLC** and **Afaxys Group Services, LLC (AGS)**.

Afaxys Pharma provides a broad portfolio of branded and generic contraceptives to the public health market. Afaxys Pharma is a leading provider of oral and emergency contraceptives in U.S. clinics.*

AGS is a *strategic sourcing operation* that negotiates favorable pricing across a broad base of products and services through its **Group Purchasing Organization (GPO)**. emapp® is an marketplace and purchasing portal that connects healthcare centers to their preferred suppliers.

People and Culture

Our Afaxys team is experienced in and passionate about serving the needs of our customers. Here, **everyone** directly contributes to the success of the company.

Our five values – **Customer Focus, Integrity, Teamwork, Leadership, and Innovation** – are the principles that drive our actions every day. Together with our mission and brand promise, they form the foundation of our strong culture.

How We're Different

- Committed to addressing the needs of underserved community and public health centers, both 340B and non-340B; in-house dispensing and prescription
- Provide reliable supply and stable low prices for community and public health providers and their patients
- Develop products based on provider and patient needs
- Rapidly launch products via our community and public health provider network
- Sought-after commercial partner in contraception, women's healthcare, and community and public health products/service needs, with end-to-end operational capabilities

The Future Is Bright...

Our vision is to make access to reproductive and sexual healthcare affordable for all providers and all patients. Our growth strategy will further deepen and expand our therapeutic areas of focus, broaden the number of health providers and patients we can serve, as well as introduce exciting possibilities for new alliances.
